Show attire is recommended, but not mandatory. For new riders who may not yet have show attire, clean and neat attire will be accepted. In case of extreme weather (hot or rainy), adjustments may be made and competitors will be informed on the day of the show. Helmets and proper footwear (tall riding boots or paddock boots with chaps) are required. **A safety vest is required for Field Derby phase.** Some vests will be available for borrowing if you do not own a vest.

## General Rules

Protective headgear **must be worn** by any person when mounted anywhere on the show grounds.

Every division/class offered is covered by the rules and specifications of Equine Canada. Please be familiar with the rules, it is your responsibility to know the rules. Judge's decisions are final.

Competition numbers must be worn and visible in schooling rings and on the grounds as well as in the competition ring.

## Derby Scoring

Derby classes will be "Match the Clock" or optimum time classes. They are designed to help developing riders learn the skill of riding a course at the posted speed, rather than with the fastest time. Competitors with equal faults will be placed according to how close their time is to the optimum time, which is based on the course being ridden at the posted speed.

**Field Derby:** Time penalties will be given out as per normal XC rules. Refusals at fences in the cross-country field will be scored 20 for the first, 40 for the second, 60 for the third. After the third refusal riders should continue on to the next jump without elimination. Knockdowns at Stadium type jumps will be scored 4 faults.

**Warm up Round and Arena Derby:** 1 penalty per second under the optimum time. No penalties for coming in between the Optimum Time and Time Allowed (4 seconds over the Optimum Time). There will be .4 penalties per second over the Time Allowed. Refusals at fences in the ring will be scored 4 faults for first, 8 for second, 16 for the third, then move on to next jump. Knockdowns 4 faults. Show committee reserves the right to eliminate/retire a horse/rider if they deem the ride is dangerous. Falls will result in elimination from that class.

**Safety vests are required for the Field Derby class.** There will be some vests available for use if you do not own a vest. Cross-Country field Terrain: Rolling hills, open fields and wooded trails with excellent grass footing.

**This Derby will count towards points calculations for HTPEI Year End awards if you are a HTPEI Member. Get your membership now! [www.horsetrialspei.ca](http://www.horsetrialspei.ca)**
